Oregon Trail Sister Program-January 2025

The Oregon Trail Sister Program is an agreement between the listed clubs to allow a reduced fee to play their course.

Tee time arrangements MUST be made by the home Pro Shop to the Sister course Pro Shop at the phone number listed below.

Individual contact to the golf course is not allowed by members and they should not expect any kind of discount without going through your home Pro Shop. (First time offenders can be warned, given the discount rate and allowed to play.)

The number of plays allowed at each golf course is restricted and each facility is not required to accept more than three tee times per day at the Sister club rate.

These fees have been confirmed for the 2025 year but you should always confirm the price our members will pay when making the tee time.

Golf Course	City	Phone	Fee W/Cart
